About Casey Australia Tours

In 1973 Bryan Casey started KC. Mini-Bus Adventures with a passion for exploring this great country and a Volkswagon Kombi.

In 1975 Bryan was joined by his beloved wife Rina, with whom he shared the management of the company along with raising their four sons over the next few decades.

Fast forward to 2026 and we are known as Casey Australia Tours, managed by Bryan's son Tim and daughter-in-law Jacinta, with the ongoing support and input of Bryan and Rina and a close-knit team who share Bryan's passion for exploring the country.

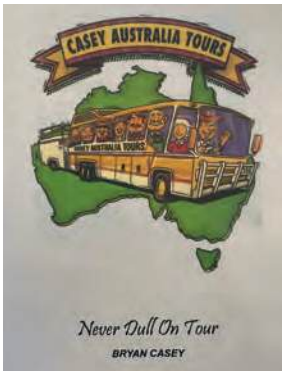

The fleet has expanded to five state-of-the-art vehicles - two luxury road coaches and three luxury safari coaches, operating tours year round throughout Australia.

Thank you to our large cohort of loyal passengers who have championed us over many decades, and a hearty welcome to our new passengers who are just beginning the journey!

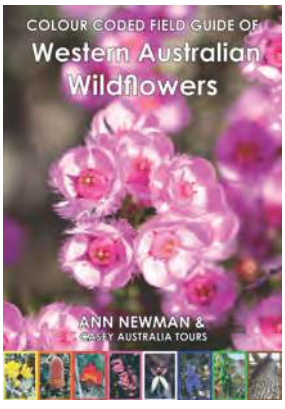

"It hasn't always been easy, but it's been exciting!"

Essential Reading

“Never Dull on Tour” - Bryan Casey
Written by founder of Casey Australia Tours, Bryan Casey, this book primarily covers the first 22 years of our touring history from 1973 to 1995. This is by far the most colourful period, with many improvements yet to be made in roads, vehicles and communications!

“Colour Coded Field Guide of Western Australian Wildflowers” - Ann Newman & Casey Australia Tours
Created by Casey Australia Tours and our expert Botanical Guide, Ann Newman, our guide to WA wildflowers contains over 400 photographs taken over many seasons. Each image has a tick box to record sightings and is labelled with the flower’s botanical name and common names. Grouped by colour for easy reference, anyone can become an amateur botanist with this guide to WA’s spectacular wildflowers.

Both books available for purchase from Casey Australia Tours - call 1800 999 677 for details or visit www.caseytours.com.au/merchandise

Day 1: (PD, Motel) Fly to Hobart. On arrival we are met by our coach and transported to our Motel.

Day 2: (CB, MD, Motel) A whole day trip to Port Arthur to hear and see the dreadful history of Australia's most infamous prison. The Port Arthur penal settlement began life as a small timber station in 1830. Port Arthur quickly grew in importance within the penal system of the colonies. The initial decade of settlement saw a penal station hacked from the bush, and the first manufactories - such as ship building, shoemaking, smithing, timber and brick making - established. In the 1840s the convict population reached over 1100. Note: Entry to Port Arthur included.

Day 3: (CB, Motel) Hobart, a wonderful day touring the city, Richmond, Mt Wellington (weather permitting), Botanical Gardens, Bonorong wildlife park to see the Tasmanian Devil, the Tasmanian Maritime Museum. In the afternoon we stroll around historical Hobart CBD at your leisure for dinner on the wharf. Note: Maritime Museum and Wildlife Park included.

Day 4: (CB, MD, Motel) Off to the West Coast, via New Norfolk and very impressive Russell Falls and along the mountain roads to "The Wall in the Wilderness" a grand artwork by local wood artist Greg Duncan. Past Lake St Clair then on to the spectacular bald hills of Queenstown. The vegetation killed by acid rain emitted from the copper smelters of earlier times. Note: Wall entry included.

Day 5: (CB, PL, MD, Motel) To Strahan for a wonderful cruise on the Gordon River, one of the most beautiful rivers in Australia. We venture deep into the UNESCO Tasmanian Wilderness World Heritage Area to share with you, the ancient rainforest, mysterious history and colourful characters of Tasmania's west coast. Enjoy lunch on board before alighting to walk through the forest. Returning to Macquarie Harbour and Strahan. Note: Boat cruise included.

Day 6: (CB, MD, Motel) Up the West Coast to Rosebery, beautiful Hellyer Gorge and on the North Coast to Stanley, a most unusual feature "The Nut" where there is a chairlift. Along the North Coast to Burnie for two nights at Devonport.

Day 7: (CB, MD, Motel) Climbing high into the mountains to view Cradle Mountain from the picturesque Dove Lake, explore the diverse vegetation at around 1500m above sea level. Back down the range we stop in on some of the local produce around Sheffield on the way to return to Devonport.

Day 8: (CB, RD, Motel) Over to the fabulous little town of Beaconsfield and a visit to the Beaconsfield Mine & Heritage Centre. Reaching the Tamar River at Beauty Point to visit the Platypus House and Seahorse World on the pier. Then south along the Tamar River to Launceston taking in the rivers and ranges on the way. Note: Mine, Seahorse & Platypus entries included.

27th July 2027

Departing From:

	Senior	Adult
Perth	$1490	$1540
Optional Single Supplement		$330

Day 1: (MD, Motel) South to Bunbury to the Dolphin Discovery Centre to meet the wild Bottlenose Dolphins of Koombana Bay. The resident dolphin population averages about 100 dolphins throughout the year. After lunch we head south through Nannup to the Lavender farm. In the summer months the Lavender fields are spectacular but all year round the farm shop has handmade lavender products, preserves, home wares and plants. Arriving at Karri Valley Resort on the edge of Beedelup Lake for three nights. Note: Dolphin Centre entry included.

Day 2: (FB, MD, Motel)A morning walk over to the Beedelup Falls before heading over to Pemberton to board the Tramway meandering through towering Karri and Marri forests, over trestle bridges spanning rivers and streams, along one of Australia's most majestic rail lines. In the afternoon we visit the Understory Art & Nature Trail in Northcliffe, enjoy the music, stories, poetry and more than 70 sculptures created in response to the unique landscapes, people & histories of the Southern Forests region. Return to Karri Valley. Note: Tram and Understory included.

Day 3: (FB, MD, Motel) Over to Walpole for a WOW Wilderness Cruise with Gary Muir. Gary refers to it, "the belly button of the world", Walpole is a special area that was destined to be developed, but against all odds, in 1910, a small section of land on the Frankland River was designated A-Class reserve. This snowballed to what we now know as the Walpole Wilderness, over 360,000 hectares of reserve; an area of natural and cultural significance recognised for its unique landscapes and lifeforms. Afternoon to the Valley of the Giants Tree Top Walk, designed to immerse you in the forest and leave the eco system untouched, the walk blends seamlessly into its surrounds. Return to Karri Valley. Note: Cruise and Tree Top included.

Day 4: (FB) The Southern Forest Region is a gourmet paradise, home to over 50 different types of fruits and vegetables, world class truffles, nuts, premium wines, pasture raised meats and dairy farms. Each season brings a new taste, along the drive home we stop in on a number of local stalls and produce suppliers before returning to Perth.

Day 1: (MD, Motel) Out through Brookton and Narrogin for Lunch in Wagin. Though the productive broad acre farms into the Great Southern. From Gnowangerup we skirt the Pallinup River to near its mouth in Beaufort Inlet just before Bremer Bay. Spending three nights at the Bremer Bay Resort.

Day 2: (FB, PL, MD, Motel) Boarding the three storey 23m luxury vessel to head out to the Bremer Canyon to watch Killer Whales (Orcas) in action. This ocean has an incredible natural gathering of marine life. These include sperm whales, long-finned pilot whales, and the rarer beaked whales and blue whales. Hopefully we come up close and personal with pods of striped, bottlenose dolphins leaping in and out of the water and the rare sunfish and different species of sharks, including the great whites, whaler sharks, and the stunning oceanic blue shark. We spend the whole day in the comfort of the vessel and return to Bremer Bay. Note: Cruise included.

Day 3: (FB, MD, Motel) After a big cruise yesterday we have a late start, before a relaxing day around Bremer Bay. Take in the Estuary and the mouth of the Bremer River fed by Devil Creek and Lizzie Creek. Traditional Owners have spent thousands of years caring for Country in this remote and inaccessible area, where rivers, creeks and wetlands merge into the wild marshes and estuaries that dot the coast. Lunch in town before popping over to Observation Point out at Point Henry in the afternoon.

Day 4: (FB) Leaving the coast and driving north of the Stirling Ranges to Katanning where sandalwood has been cut since the 1870s and the railway reached in 1889. Returning to Perth through the Jarrah forest and Alcoa bauxite mines of the Darling Scarp.

Please note: If the Bremer Canyon Killer Whale Expedition is unable to operate on Day 2 due to inclement weather or other reasons, we will conduct an alternative program for the day. On return we will refund you the cost of the cruise ($400) minus alternative program costs.

	Senior	Adult
Perth	$5190	$5240
Optional Single Supplement		$960

Day 1: (PL, MD, Motel) Departing Perth we get our first sights of our constant travelling companion in the West; the Indian Ocean. We explore the Pinnacle Desert before Lobster Lunch in Cervantes. In the afternoon wander along the beach at Thirsty Point before checking into the motel in Cervantes. After dinner head back into the Pinnacle Desert to view the stars and constellations twinkle in this stark landscape. Note; National Park entry included.

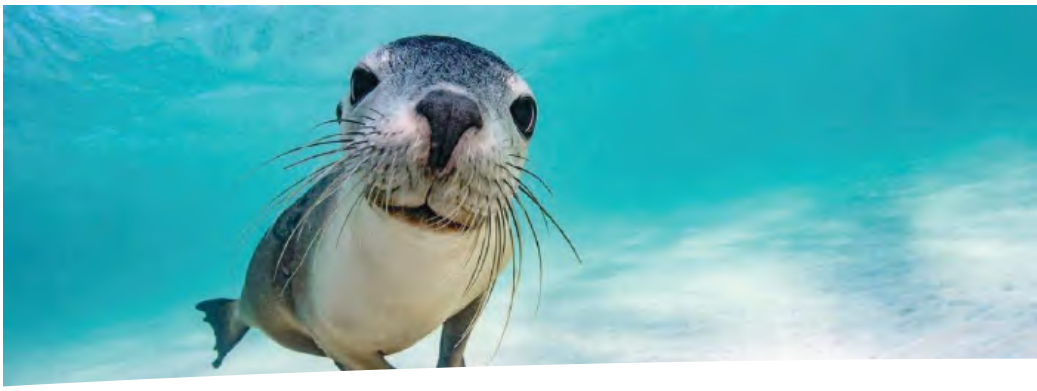

Day 2: (CB, MD, Motel) Out into the Jurien Bay Marine Park, home to a precious community of Australian Sea Lions, one of only 66 colonies in the world, all between Geraldton and Kangaroo Island (SA). Enjoy the frolicking sea lions from the boat or jump in to join in the playful antics. Lunch in Jurien before crossing the Irwin River through Dongara to Geraldton. Afternoon visit to the Museum of Geraldton with the best display of shipwrecks and nautical history including the Batavia, on the WA coast. Note: Sea Lion experience and Museum included.

Day 3: (CB, PL, MD) Up to Northampton before heading out to Port Gregory, settled in 1853 as a port and convict depot to cut a road and work the Geraldine Lead Mine. The port remained busy exporting lead, salt and whales until the 1920's but is now a holiday village. Stopping to view the Hutt Lagoon Pink Lake and the Lynton Convict Depot on the way back to Northampton and Geraldton.

Adventure Option;
Abrolhos Islands Flight & Snorkel - $630 approx
Taking off from Geraldton for a 30 minute scenic flight over the 200 Islands that make up the Houtman Abrolhos Group before landing on East Wallabi Island for a guided tour of the beautiful Turtle Bay. From there, you see spectacular coral reef while snorkeling through the clear blue water. You can also embark on a nature trail walk. Returning to Geraldton over even more islands.

Day 4: (CB, MD) Leaving the Wheatbelt as we cross over the Murchison River and enter the Station Country. In this country fresh surface water is extremely scarce. As we leave the North West Coastal Highway and take on the road to Shark Bay we visit the hyper-saline waters of Hamelin Pool and Shell Beach. Reaching Denham in the Francois Peron National Park.

Day 5: (CB, MD) Over to Monkey Mia where wild dolphins have been visiting the beach for a feed for generations, then step aboard the catamaran for a cruise around nature's aquarium in search of dugongs, sponging dolphins, loggerhead or green turtles, manta rays and other amazing and endangered marine life. Return to Denham for lunch. Then down to Ocean Park, an interactive aquarium, take an educational tour with a marine scientist by your side. Watch the raw fury of sharks feeding; discover alien moray eels, highly venomous sea snakes, excruciating stonefish and more. Note: Cruise and Ocean Park included.

Three full day options on offer;
Abrolhos Island, Dirk Hartog Island or Whale Swimming

Adventure option:
Dirk Hartog Island - $300 approx
Experience a thrilling marine transfer from Denham to Dirk Hartog Island that offers the chance to sight dolphins, manta rays and even whales. Morning tea on arrival then embark on a journey through history as you learn about the 'Return to 1616 Nature Conservation' program. Discover the rugged beauty of the eco-island's landscape and learn about its World Heritage status. Locally sourced ocean to plate lunch, followed by a guided tour of the historical shearing shed to discover the islands pastoral history that operated for over 100 years. Soak up the sun on pristine beaches or explore further out to sea via kayak before heading back home feeling refreshed.

Day 6: (CB, MD) Off the Peninsula and back to the mainland, we meander up to Carnarvon with a free afternoon to rest up after a few solid days and in preparation for more exciting days on and in the water.

Day 7: (CB, MD) Continuing north around Lake Macleod to Coral Bay we enter the Ningaloo Coast World Heritage Site, home to Ningaloo Reef, Australia's largest fringing coral reef. There is time to swim and snorkel straight off the beach in the coral and marine life. In the afternoon we reach our final town for the tour, Exmouth at the head of the North West Cape.

Day 8: (CB, MD) Around the cape to Tantabiddi for a glass bottom boat cruise over the fringing reef. Viewing the extensive coral and varied marine life from the comfort of the boat with the knowledge of the skipper to find and identify everything. Return to Exmouth for lunch and then further down the coast to Yardie Creek for a different cruise in fresh water amongst the unique flora, fauna and local history of the stunning gorges of the Cape Range. Note: Two Cruises included.

Adventure Option;
May - Whale Shark Swim - $625 approx
Aug - Humpback Whale Swim - $625 approx
A magnificent day out on the water, once onboard you are taken for a warm up snorkel amongst the coral to get ready for the Whale Dive, once the spotter plane finds the target it's time to motor off. The skipper drops you ahead of the pod in anticipation of it swimming by you. These calm giants are amongst the only marine creature in the world that allow such a close and prolonged, wild interaction without being disturbed or changing course.

Day 9: (CB) Slow morning before heading up to Vlamingh Head Lighthouse to say goodbye to the Indian Ocean after eight days of sun, sand, water and wildlife. Memories to last a lifetime. Flying out of Learmonth to Perth.

- **Capel Marron Farm**
- **Lunch at a Margaret River winery**
- **Cape Leeuwin Lighthouse**
- **Ngilgi Cave**
- **Motel Accommodation**
- **3 evening meals, 3 breakfasts, 1 lunch**

Accommodation:
Motel - 3 nights

Coach:
Luxury Coach, Toilet, Air Cond.

Departure Date:
17th May 2027
19th July 2027

Departing From:

	Senior	Adult
Perth	$1490	$1540
Optional Single Supplement		$330

Day 1: (MD, Motel) Our Margaret River escape begins as we leave Perth behind and head south along the Forrest Highway and Wilman Wadandi Highway, watching the city give way to open farmland, forests and the rolling landscapes of the South West. Our first taste of the region is at Capel Marron Farm, where we get to experience the journey from "Pond to Plate." Join a guided walk through this working farm, discover how marron are grown in the pristine waters of the South West, and hear the stories behind this much-loved Western Australian delicacy. Enjoy a delicious farm-to-table experience featuring locally produced marron and other seasonal flavours of the region. Continue south through the beautiful countryside. The landscape gradually changes as we pass rolling farmland, orchards and vineyards, signalling that we're getting closer to Margaret River.

Day 2: (FB, L, MD, Motel) Today we're going hunting for the flavours of Margaret River. Our morning is devoted to some of the region's delicious treasures. We'll meander through the wine country in search of chocolate, creamy local cheeses, fresh berries and golden olive oil, stopping along the way to taste, browse and discover the passionate producers behind them. By late morning, our appetites should be well and truly ready for the main event, lunch at one of Margaret River's renowned wineries. Settle in, take in the vineyard views and enjoy a leisurely meal showcasing the exceptional produce of the South West. There's no need to rush the afternoon. Relax over wine tastings, discover the stories behind the vineyards and learn what makes this corner of Western Australia one of the world's celebrated wine regions.

Day 3: (FB, MD, Motel) Today we travel south to the historic town of Augusta, located at the south-western tip of Western Australia. Our first highlight today is Cape Leeuwin Lighthouse, dramatically positioned where the Indian Ocean meets the Southern Ocean. Explore the lighthouse precinct, enjoy the spectacular coastal views and discover the stories of the lighthouse keepers and early maritime history of the region. After lunch in Augusta, we begin our scenic return journey through the magnificent Boranup Karri Forest, where towering karri trees create one of the most memorable landscapes of the South West. In the afternoon, discover one of Margaret River's spectacular limestone caves. Walk beneath the surface and marvel at ancient limestone formations created over thousands of years. After our cave experience, return to Margret River on a scenic drive through the vineyards and forest for our final night together.

Day 4: (FB) Our final morning takes us along the spectacular coastal road through Yallingup and Meelup, with one last chance to soak up the turquoise waters, white sandy beaches and rugged beauty that make the South West so special. From the coast, we head into the ever-growing town of Dunsborough, where we'll enjoy a leisurely lunch and have a little time to explore the shops, cafés and foreshore. Then it's time to point the coach north and begin our journey home. Sit back, relax and enjoy the changing scenery as we leave the vineyards, forests and beaches of the South West behind. Arrive back in Perth in the late afternoon, bringing our South West escape to a close.

Note: Optional Flight over Uluru approx $335.

Day 6: (CB, RD, Motel) We spend the morning on Curtin Springs Station, home to the Severin family since 1956, when Peter Severin arrived with his young wife Dawn, their toddler son Ashley and 1,500 head of cattle. The Severin family has protected the million acre wildlife corridor that balances cattle production with conservation of this precious landscape. Appreciate a tour of the handmade paper, made from the native grasses found on the station, a distinctive and beautiful souvenir of Central Australia. Afternoon through to Alice Springs for three nights. Note: Paper Tour included.

Day 7: (CAB, RD, Motel) A restful morning before a day exploring some of the features of the MacDonnell Ranges, from scenic to culturally significant areas.

Perth - Alice Springs - Cairns

Day 8: (CAB, Motel) Take an optional early morning Hot Air Balloon through the rugged outback followed by a tour of "The Alice" nestled on the north side of the MacDonnell Ranges. In the afternoon there is an optional visit to the Alice Springs Telegraph Station. Note: Optional Hot Air Balloon approx $440.

Day 9: (CAB, PL, RD, Motel) An early start for a big drive into Queensland. A short drive up the Stuart Highway then back on the dirt of the Plenty Highway. Through the Harts, Jervois, Tarlton and Toko Ranges in the northern reaches of the Simpson Desert to Tobermorey Station just inside the Northern Territory border. Crossing the border on the Donohue Highway shadowing the Georgina River with its many tributaries to Boulia. This highway is the home of the Min Min Lights, an unusual shimmering light phenomenon that can appear at night.

Day 10: (CB, MD, Motel) A late start with free time in Boulia before continuing across the Queensland Channel Country and over the Diamantina which flows south past Birdsville to Lake Eyre, in the afternoon we reach the sheep cattle town of Winton on the sprawling Western River.

Day 11: (CB, Motel) Morning visit to the Age of Dinosaurs Centre, the world's largest collection of Australian dinosaur fossils. In the afternoon we visit the Waltzing Matilda Centre followed by free time in Winton and a wander of this romantic, classic outback QLD town. Note: Dinosaur and Waltzing Matilda Centres entries included.

Day 12: (CB, RD, Motel) To Hughenden before a drive up the Flinders River and a visit to the Porcupine Gorge Lookout on the last of the outback dirt roads to reach Mount Surprise on the Gulf Development Road.

Day 13: (CB, PL, MD, Motel) We take a guided tour through the Undara Lava Tubes, the world's longest lava flow from a single volcano, some of the caves are over 21m wide and up to 10m high. Note: Lava Tubes Tour included.

Day 14: (CB, RD, Motel) Past Mount Garnet and Ravenshoe before descending the Great Dividing Range through the winding rainforest highway enjoying the lush rainforest and tropical plantations on the way into Cairns.

Day 15: (CB) Slow morning with time to relax around Cairns before a flight home having crossed the Country South West to North East through a great range of landscapes and vegetation, an unforgettable experience.

In the late afternoon we travel to Karumba on the Gulf of Carpentaria to enjoy fish and chips as the sun sets over The Gulf. Return after dinner to Normanton.

Day 5: (CB, MD, Motel) Crossing the Flinders River and across the Gulf Savannah to the Burke and Wills Roadhouse before Cloncurry, birthplace of the Flying Doctor Service. More recently it is the home of the Cannington mine, the world's largest silver and lead mine. We spend two nights at Mount Isa.

Day 6: (CB, Motel) A very interesting day touring Mt Isa, the largest outback town in Queensland and the world's largest single producer of copper, silver, lead and zinc. We visit the WWII underground hospital, an interesting building on the Queensland Heritage Register. In the afternoon visit Lake Moondarra on the Leichhardt River. Note: Underground Hospital included.

Thomson River Cruise, Longreach, QLD

Day 7: (CB, MD, Motel) The Australian history continues today. We travel to McKinlay where much of the film Crocodile Dundee was shot and Winton, the birth place of "Waltzing Matilda" which was written near here in 1885, on to Longreach.

Day 8: (CB, RD, Motel) Longreach has great significance in Australia's history. It is the home of QANTAS (first office opened) and boasts the very impressive Stockman's Hall of Fame which we visit. In the afternoon we cruise the iconic Thomson River under the skies of Western Queensland. Note: Entry to the Hall of Fame and River Cruise included.

Day 9: (CB, MD, Motel) Barcaldine, the headquarters of the Great Shearers' Strike of 1891 which resulted in the formation of the Australia Labor Party. We stop in at The Australian Workers Heritage Centre, dedicated to celebrating the lives and proud heritage of ordinary working people – telling the stories of the railway workers and blacksmiths, the farmers, nurses and teachers who shaped the nation. Then Blackall before we criss cross the Warrego River to Charleville. Note: Workers Heritage Centre included.

Day 10: (CB, RD, Motel) Charleville is an iconic Queensland location with large productive cattle stations, also home of a Flying Doctor Base and original home of Cobb & Co for the building of its coaches. Before leaving Queensland we have lunch further down the Warrego in Cunnamulla. Then south to Bourke which began in 1862 it was the last outpost of civilization before the "Never Never" thus the saying "Back of Bourke". Bourke is a great experience with its grand sandstone buildings and history.

Day 11: (CB, RD, Motel) Bourke was a port on the Darling River for the paddle steamers and when the rail arrived the town became the largest wool rail head in the world. The new industry here is cotton production on fields irrigated from the Darling River. We visit the "Back of Bourke" Centre, an interesting interpretive centre delivering an in depth history of the region. In the afternoon we take a paddle steamer cruise down the Darling River on the PV Jandra. Note: Back of Bourke Centre and PV Jandra Cruise included, *rain dependent.

Day 12: (CB, MD, Motel) On to Cobar where copper has been mined since 1870. Along the Barrier Highway to the historic Darling River Port of Wilcannia, now only a shell of its former busy self. From here on to Broken Hill where Charles Rasp in 1883 found silver and started Australia's leading company, BHP.

Day 13: (FB, RD, Motel) BHP now no longer has a commercial interest in Broken Hill. A whole day in Broken Hill seeing the mining industry, heritage and culture before a visit to the nearby town of Silverton where films such as "Mad Max' were shot.

Day 1: (MD, Motel) We fly to Adelaide, where we're warmly welcomed by our friendly crew and escorted to our luxury safari coach. From there, we enjoy a tour of Adelaide city and its surrounding areas, taking in the highlights before arriving in the coastal suburb of Glenelg. After settling into our accommodation, we take a relaxing stroll along the Esplanade, soaking in the last of the seaside atmosphere.

Day 2: (CB, RD, Motel) We travel through scenic wineries and rolling ranges to the historic copper mining town of Burra, where the entire town is classified by the National Trust. Here, we enjoy a guided tour before a relaxed lunch in a charming heritage setting. Later, we depart South Australia along the Barrier Highway, continuing our journey to Broken Hill.

Day 3: (CB, Motel) We spend a full day in Broken Hill, beginning with a guided town tour followed by time to wander and explore at our own pace. We then delve into the region's rich mining history with a visit to White's Mining Gallery, gaining insight into the industry that shaped the town. Later, we travel to the nearby historic township of Silverton, famous as the filming location for movies such as Mad Max. Note: Whites entry included.

Day 4: (CB, MD, Motel) We travel north along the Silver City Highway to Depot Glen, a site of great historical significance. In 1845, explorer Charles Sturt and his expedition camped here while searching for the elusive inland sea. Battling extreme heat and severe drought, the group remained at Depot Glen for several months, making it one of the most enduring chapters of their journey. We continue on to Tibooburra.

Day 5: (CB, PL, MD, Motel) We journey on to Cameron Corner, the unique point where South Australia, Queensland, and New South Wales meet. From here, we travel through the vast landscapes of Merty Merty Station before joining the iconic Strzelecki Track, named after Sir Paul Edmund de Strzelecki, the explorer who named Mount Kosciuszko. Our day concludes in the outback township of Innamincka.

Day 6: (CB, PL, MD, Motel) Just inside the Queensland Border on the banks of the Cooper Creek we reach the Burke & Wills Dig Tree. Here in 1861 the Burke & Wills expedition met its tragic end after having returned from the Gulf of Carpentaria to find the depot abandoned and thus perished. Continuing on the dirt roads to Eromanga, home to Australia's largest dinosaur fossils as well as the Eromanga Oil and Gas Basin which produces around one and a half million barrels of oil per year. We make our way to Toogunna Plains Station Farmstay, where we settle in and enjoy a two-night stay immersed in the peace and character of the outback.

Day 7: (CB, PL, MD, Motel) Following a relaxed breakfast, we tour the family grazing business and unique outback environment. Free time to explore the self-guided walks. Afternoon visit to the Eromanga Natural History Museum, to meet Australia's largest dinosaur from some 95-million years ago, watch expert guides demonstrate fossil preparation, see the incredible megafauna fossils, and witness these ancient giants come to life in a state-of-the-art multi-media presentation. Return to Toogunna Plains Farmstay to enjoy campfire stargazing.

Day 8: (CB, MD, Motel) We enjoy a rare stretch of sealed road as we travel along the Diamantina Development Road, heading back towards Cooper Creek at Windorah. Crossing the Diamantina River and continuing on to Bedourie, we take in the ever-changing outback landscapes before arriving in Birdsville, nestled in the southwest corner of Queensland.

Day 9: (CB, MD, Motel) This remote outback town, perched on the banks of the Diamantina River, holds a place in the Australian imagination as iconic as the Harbour Bridge in Sydney or Uluru in the Red Centre. Birdsville is a vibrant hub of outback history, culture, and resilience, where the vast, open landscapes meet the enduring spirit of its community. We also explore the world-famous Birdsville Track, a site steeped in tradition and excitement. Each year, it becomes the focal point for the legendary Birdsville Races, drawing thousands of visitors from across the country and beyond.

Day 10: (CB, MD, Motel) We set out along the legendary Birdsville Track, winding south through vast cattle and sheep stations and past scattered artesian bores that dot the arid landscape. Crossing Warburton Creek and the Cooper Creek, we pause at Mungerannie Station, where a permanent waterhole fed by an artesian bore from the Great Artesian Basin has created a thriving local wetland, home to over 110 bird species. Continuing along The Track through Marree to Leigh Creek.

Day 11: (CB, RD, Motel) We spend a full day in Marree, a town steeped in outback history that was once a key hub on the Ghan Railway linking South Australia to Alice Springs. In the morning, you have the option to take a scenic flight over the immense Lake Eyre, Australia's largest salt lake. From the air, you can witness the dramatic patterns of water and salt, expansive desert surrounds, and the rare beauty of this everchanging landscape. In the afternoon, there is time to immerse yourself in the unique character of Marree. Stroll through the town to meet its friendly locals, explore historic sites, and learn about the colourful stories of the outback, from early railway pioneers to Afghan cameleers who once shaped this region. Note: Flight over Lake Eyre not included, approx $475.

Day 12: (CB, MD, Motel) We journey south into the striking landscapes of the Flinders Ranges, one of Australia's most ancient and scenic mountain regions. Morning tea at Blinman, a historic copper mining town washed in heritage, where the stories of early miners and outback pioneers still echo through its streets. Continuing through the heart of the ranges, we are surrounded by dramatic ridges, rugged gorges, and sweeping plains. Stop in Hawker before beginning our descent following the path of the historic Pichi Richi Railway, we wind down through the spectacular landscapes that challenged early railway engineers. We reach Port Augusta, the "Crossroads of Australia," where the Flinders Ranges meet the Spencer Gulf and the vastness of South Australia's outback transitions to the coast.

Day 13: (CB, MD, Motel) We visit The Wadlata Outback Centre, a theatrical experience depicting a journey through time in the Flinders Ranges and the Outback of South Australia. Heading south to Port Pirie the destination for the lead and zinc ore from Broken Hill. Smelters have been in operation here since 1889, and it became the biggest lead smelter in the world by 1934. Our journey concludes as we travel to Adelaide, where we settle into our accommodation for our final night to relax, reflect, and soak in the memories of an unforgettable adventure. Note: Wadlata Centre included in your fare.

Day 14: (CB) We enjoy a leisurely start to the day, with some free time to explore or relax by the seaside . Later, we make our way to the airport for our return flight, bringing to a close a truly memorable tour through the heart of Australia's outback and iconic landscapes.

Day 1: (PD, Motel) Your journey begins as you fly into Canberra, our nation's beautiful capital. Excited for the wonderful sights, colourful gardens and fascinating history that await us over the coming days. On arrival, you'll be greeted by our friendly coach driver and transferred to your motel, where you can settle in and relax for the next three nights. Please note: Passengers landing after 6.00pm will be provided with a picnic dinner in their room.

Day 2: (FB, MD, Motel) Prepare to be dazzled by a spectacular celebration of spring as we visit Floriade, Canberra's famous flower festival. With a million flowers bursting into bloom throughout Commonwealth Park, the gardens come alive with vibrant colour and creative floral displays. Then step into a miniature world at Cockington Green Gardens, where charming English villages and famous international landmarks have been recreated in intricate detail. Afterwards, immerse yourself in the breathtaking beauty of Tulip Top Gardens, where sweeping displays of tulips in brilliant colours create a spectacular springtime setting. Note: Entry to Cockington Green Gardens and Tulip Top Gardens is included.

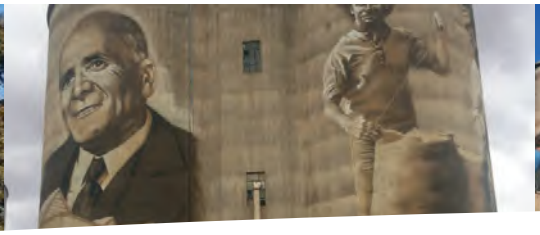

Day 3: (FB, MD, Motel) Today we explore the highlights of Canberra, a city rich in national pride, culture and history. We take a drive through Canberra's impressive Embassy District, admiring the distinctive architecture and diplomatic character of the international embassies. Our first major stop is to pay our respects at the Australian War Memorial, which offers a powerful insight into the Australian experience of war. In the afternoon we tour Parliament House, an architectural masterpiece set into Capital Hill. Next, we visit the National Gallery of Australia, home to an extraordinary collection of more than 160,000 works of art.

Day 4: (FB, RD, Motel) Leaving Canberra behind, we travel along the western side of the Snowy Mountains before joining the Hume Highway, journeying through the changing landscapes of southern New South Wales. Along the way, we stop at the famous Dog on the Tucker Box, the much-loved Australian landmark near Gundagai that has become an enduring symbol of bush folklore and country humour. We then continue towards the twin border cities of Albury in New South Wales and Wodonga in Victoria. Our journey includes a visit to Hume Weir, an impressive engineering feat and one of the major dams on the Murray River. From here, we travel to the historic gold-rush town of Beechworth.

Day 5: (FB, RD, Motel) We begin with a guided tour of historic Beechworth, a town closely associated with Ned Kelly and his family. Visit the historic Beechworth Courthouse and Beechworth Gaol, where Ned Kelly faced the law. We then travel to Glenrowan, the setting of Ned Kelly's final stand. Enjoy an animated re-enactment bringing the dramatic story of his capture to life. Return to Beechworth. Note: Includes Ned Kelly re-enactment.

Day 6: (FB) Our final day begins in Wangaratta, before following the winding Ovens River north through beautiful pastoral country to Tungamah. Towering grain silos have been transformed into magnificent works of art, bringing colour, character and stories to the heart of the small farming communities of Tungamah, St James, Devenish and Goorambat. Rejoining the Hume Highway at Benalla, home of Sir Edward "Weary" Dunlop, the celebrated Australian surgeon during the Second World War. Finally, we make our way to Melbourne for our flight home, bringing to a close six unforgettable days.
